**Re HOD Superfund Site, Antioch, Illinois
5 Year Review Recommendations**

Dear Ms. Mason-Smith:

This letter is to formally request a meeting to discuss the September 24, 2015 5 Year Review Report for the HOD Superfund Site and your December 31, 2015 5 Year Review and Recommendations letter (Issues letter). Your Issues Letter indicated an urgency in meeting to discuss how to address or respond to recommendations in the 5 Year Review. Previously, Waste Management of Illinois, Inc (WMIL). has verbally requested to meet with you and discuss the issues raised in the 5 Year Review Report.

WMIL is willing to meet with you in your Chicago office. Please call me to setup a mutually agreeable date and time to meet. WMIL is available to meet during the week of July 18 or 25, 2016.

If you have any questions or are in need of any additional information, feel free to contact me at (262) 509-5638.

Sincerely,
Waste Management of Illinois, Inc.
